- **Improved** and **innovative curricula**
- **Increase financial resources**
- Modern, professional **environment**
- **Promoting young researchers**, professors
- Integration of **good practices, new EU subjects**
- **Collaboration** with other organisations
Jean Monnet: how does it work?

Project grants to promote excellence through:

• Teaching and research (Modules, Chairs, Centres of Excellence)
• Policy debate with academic world (Networks, Projects)
• Support to activities of Associations
Teaching and research in the field of EU-studies

Aims to support:

**MODULES**
40h teaching programme (max grant: 30,000 €)

**CHAIRS***
90h teaching posts (max grant: 50,000 €)

**CENTRES OF EXCELLENCE**
focal points of competence and knowledge (max grant 100,000 €)

* And carry out at least one additional activity per academic year
** academic responsibility of Centres not mandatory any more to be assumed by Jean Monnet Chair holder

Main activities:

- teaching in European integration studies embodied in an official curriculum of a HEI
- conduct, monitor and supervise research on EU subjects, also for other educational levels such as teacher training and compulsory education
- organise and coordinate human and documentary resources related to European Union studies
- enhancing the debate and exchange of experience about the EU (think-thank function)
- systematic publication of the results of research activities
Example - Jean Monnet Module in European Banking and Financial Integration in EU, 2007-2010

Universitatea Alexandru Loan Cazu Iasi, Iasi, Roumania

Prof. Gabriel Stefura

Aims

• Due to the great demand for accurate information regarding the European integration process and to its position in the social environment, the UAIC Iassy can and must act like a leader in bringing Europe closer to the citizens and highlighting the implications of this process

Activities

• Course on European Banking and Financial Integration, to train future European citizens in Romania
• Information about European economic integration at postgraduate level
• Promote and strengthen active European citizenship through understanding that the economic impact of enlargement will be significant as a bigger and more integrated market boosts economic growth
• Promote the active participation of students/citizens in the process of European integration through reflection and debate on the various economic aspects of this process;

Target groups

• Students, teachers, trainers, civil society
Example - Jean Monnet Chair in European Integration and Youth 2010-2014

National University of Ireland, Maynooth

Dr Maurice DEVLIN

Aims

• To respond to unprecedented increase in emphasis on youth policy at EU level in recent years
• To consolidate and expand European integration studies for youth and community work students at the National University of Ireland, Maynooth
• To explore ways of furthering the European dimension in vocational and professional youth and community work, education and training

Activities

• Lectures, including a module for vocational and professional students
• Doctoral seminars
• Training course for civil society groups

Target groups

• Higher education institutions at national level, civil society groups and organisations and academics and students from outside the EU
• gathering together academics and practitioners working in the field of youth studies
Example - Jean Monnet Centre of Excellence
Between Globality and Locality: Europe in a Global Context
2010-2013

Institute of Social and European Studies Foundation (ISES), Köszeg, Hungary
Prof. Ferenc MISZLIVETZ

Aims
• To target disadvantaged regions and populations with new post graduate courses in European Studies
• To combine theoretical and practical studies, responding to changing social and economic conditions, international political, social, economic and cultural life
• To provide public space for multi-stakeholder debates on the challenges of European integration and Europe's role in the world
• To enhance regional cooperation and integration through exchanges between institutions of higher education in Member States and EU neighbourhoods

Activities
• Master programmes, new university courses and summer courses
• Cross-border lecture series, roundtable debates and conference for students, educators, civil society, business and government
• Publications, Website
Example - Jean Monnet Centre of Excellence
Between Globality and Locality: Europe in a Global Context
2010-2013

Target groups

• Key beneficiaries are students, policy makers, practitioners, civil society
• Students come primarily from Central Europe, the Baltics, the Balkans and former Soviet republics, also Turkey and Africa (e.g. Cameroun)
• Cooperation with other Hungarian Universities, other institutions in field of European Integration, in particular through the Jean Monnet network
• Particularly good contacts with European Integration initiatives in Turkey and Latin America
• All academic programmes open to civil society participation, including MA programmes and the Summer University
• Concerted effort to recruit civil society participants to its events and cultural programmes
• The Centre successfully creates links between academia, business community and government of the city and region, hereby contributing to local and regional development
Policy debate and exchanges

Aims to support:
**NETWORKS:** foster creation, development of consortia of international players (HEIs, Centres of Excellence, departments, etc.) in area of EU studies. Involvement of minimum 3 partner institutions from 3 different countries, duration up to 3 years; (max grant:300.000 €)

**PROJECTS:** support innovation, cross-fertilisation, the spread of the EU content. Involvement of other partners possible, duration between 12 – 24 months; (max grant:60.000 €)

Main activities:
- Gathering and promoting information and results on methodologies applied to high-level research and teaching on EU-studies
- Enhancing cooperation between different HEIs and other relevant bodies throughout Europe and around the world
- Innovation projects explore new angles and different methodologies in view of making EU subjects more attractive, adopted to various kinds of target populations
- Cross-fertilisation projects promote discussion and reflection on EU issues, enhance knowledge about the Union and its processes
- Spread content projects mainly concern information and dissemination activities
Example - Jean Monnet Network
European Identity, Culture, Exchanges and Multilingualism
2014-2017

Sofiiski Universitet Sveti Kliment Ohridski, + 7 Partners from China, BE, UK, LU, PL, IE, SK
Assoc. Prof Maria STOICHEVA

Aims
• European identity formation, theme with three dimensions of more focused research (patterns of European identity and citizenship among students studying courses in the area of EU Studies eliminating the constraint of knowledge deficit and information about European affairs), identities in urban contexts (the European multilingual city) and the issue of emerging new European young researchers’ identities (exchanges and doctoral studies – an international study of processes and outcomes in the EU)
• core task of the network to build knowledge and become reference point for researchers in these EU-related themes
Example - Jean Monnet Network
European Identity, Culture, Exchanges and Multilingualism
2014-2017

Activities
• 3 summer schools, 13 events (seminars, workshops, conferences and final conference), 10 major deliverables (books, collection of papers, conference proceedings, thematic issues of national journals, working papers)

Target groups
• Core target group are young researchers (doctorate students, potential doctorate students and young researchers who have obtained a PhD degree in the past 5 years), doctorate students from other scientific fields
**Example - Jean Monnet Learning EU at School Project**

**L'Europe: parle m'en au Lycée 2013-2014**

**Aims**

• To confront students with a discourse on the EU which is original, going beyond the usual (generally rather technical and actually very limited) way of addressing EU issues within high school teaching programmes

• To provide students with an important practical, concrete (and fun) complement to their “European” education with a EP simulation exercise, a quiz, a trip to Brussels

**Activities**

• Pedagogical seminars for teacher on EU knowledge

• Conferences for high schools in several regions of France

• Simulation of the European Parliament: amplifying a European dimension and intercultural exchanges with other high schools in Europe

• Study visit to Brussels

**Target groups**

• Teachers, students, pupils in France and in Europe
Support to Associations

Aims to support:

ASSOCIATIONS: contribute to the study of the EU integration process, interdisciplinary approach, officially registered and independent; open to all interested professors, teachers and researchers specialising in EU issues, at regional, national or supranational level; duration 3 years; (max grant: 50,000€)

Main activities:
• organise and carry out statutory activities of associations dealing with EU studies and EU issues;
• Perform research in the field of specific European issues in order to advice local, regional, national and European policy makers, dissemination of outcomes including the EU institutions, enhancing active citizenship.
Example - Jean Monnet Support to Associations

Latvijas Asociatcija Eiropas Kopienas Studijam, Riga, Latvia
Prof Tatjana MURAVSKA

Aims
• develop, promote the exchange of ideas, knowledge, research information to ensure greater visibility of theoretical and practical EU problems, build a network between academia, governmental, NGOs and civil society

Activities
