However, when in a group, 1 member must be nominated as the leader and be in charge of the administrative management of the contract (contact point, invoicing, receiving payments, etc.) on behalf of all members of the group. The leader shall receive power of attorney from the other members in this sense. Each member of the group assumes a joint and several liability towards the contracting authority. The documents required and listed at Section III.2 must be supplied by every member.

III.1.4) **Other particular conditions**

The performance of the contract is subject to particular conditions: no

III.2) **Conditions for participation**

III.2.1) **Personal situation of economic operators, including requirements relating to enrolment on professional or trade registers**

1.A) Access to public procurement:

Participation in this call for tender is open to natural and legal persons with their domicile or headquarters in one of the Member States of the European Union as stated in Article 119 of the Financial Regulation, and exceptionally in the Kingdom of Swaziland, Republic of Mozambique and the Republic of South Africa.

1.B) Evidence of access to public procurement:

Candidates must confirm that they have their headquarters or domicile in one of the abovementioned States and present the supporting evidence normally acceptable under their own law.

2.A) Exclusion criteria:

Article 106 of the Financial Regulation sets out that:

1. Candidates or tenderers shall be excluded from participation in procurement procedures if:

   (a) they are bankrupt or being wound up, are having their affairs administered by the courts, have entered into an arrangement with creditors, have suspended business activities, are the subject of proceedings concerning those matters, or are in any analogous situation arising from a similar procedure provided for in national legislation or regulations;

   (b) they or the persons having powers of representation, decision-making or control over them have been convicted of an offence concerning their professional conduct by a judgment of a competent authority of a Member State which has the force of 'res judicata';

   (c) they have been guilty of grave professional misconduct proven by any means which the contracting authority can justify including by decisions of the EIB and international organisations;

   (d) they are not in compliance with their obligations relating to the payment of social security contributions or the payment of taxes in accordance with the legal provisions of the country in which they are established or with those of the country of the contracting authority or those of the country where the contract is to be performed;
(e) they or the persons having powers of representation, decision-making or control over them have been the subject of a judgment which has the force of 'res judicata' for fraud, corruption, involvement in a criminal organisation, money laundering or any other illegal activity where such illegal activity is detrimental to the Union’s financial interests;

(f) they are subject to an administrative penalty referred to in Article 109(1).

Points (b) and (e) of the first subparagraph shall not apply where the candidates or tenderers can demonstrate that adequate measures have been adopted against the persons having powers of representation, decision-making or control over them, who are subject to judgment as referred to in point (b) or (e) of the first subparagraph.

2. Candidates or tenderers shall certify that they are not in one of the situations listed in paragraph 1.

For the purpose of the correct application of paragraph 1, the candidate or tenderer, whenever requested by the contracting authority, shall:

(a) where the candidate or tenderer is a legal entity, provide information on the ownership or on the management, control and power of representation of the legal entity and certify that they are not in one of the situations referred to in paragraph 1;

(b) where subcontracting is envisaged, certify that the subcontractor is not in one of the situations referred to in paragraph 1.

3. The Commission shall be empowered to adopt delegated acts in accordance with Article 210 concerning detailed rules on:

a) the exclusion criteria applicable for the participation in calls for tender, including rules on illegal activities giving rise to exclusion;

b) what evidence may be satisfactory to show that an exclusion situation does not exist;

c) the duration of an exclusion. Such exclusion shall not exceed 10 years.

Article 107 of the Financial Regulation sets out that a contract shall not be awarded to candidates or tenderers who, during the procurement procedure for this contract:

(a) are subject to a conflict of interest;

(b) are guilty of misrepresenting the information required by the contracting authority as a condition of participation in the procurement procedure or fail to supply this information;

(c) find themselves in one of the situations of exclusion, referred to in Article 106(1), for the procurement procedure.

2.B) Evidence of non-exclusion:

Article 143 of the rules of application sets out that:

1. Candidates and tenderers shall provide a declaration on their honour, available at: http://eeas.europa.eu/jobs/docs/declaration-honour_en.pdf duly filled in, signed and dated, stating that they are not in one of the situations referred to in Articles 106 and 107 of the Financial Regulation.

2. The tenderer to whom the contract is to be awarded shall provide, within a time limit defined by the contracting authority and preceding the signature of the contract, the evidence referred to in paragraph 3 hereafter, confirming the declaration referred to in paragraph 1.

3. The contracting authority shall accept as satisfactory evidence that the candidate or tenderer to whom the contract is to be awarded is not in one of the situations described in point (a), (b) or (e) of Article 106(1) of the Financial Regulation, a recent extract from the judicial record or, failing that, an equivalent document recently issued by a judicial or administrative authority in the country of origin or provenance showing that those requirements are satisfied. The contracting authority shall accept, as satisfactory evidence that the candidate or tenderer is not in the situation described in point (a) of (d) of Article 106(1) of the Financial Regulation, a recent certificate issued by the competent authority of the States concerned as defined under point 2.A.1(d) above.
Where the document or certificate referred to in the first subparagraph is not issued in the country concerned and for the other cases of exclusion referred to in Article 106 of the Financial Regulation, it may be replaced by a sworn or, failing that, a solemn statement made by the interested party before a judicial or administrative authority, a notary or a qualified professional body in his country of origin or provenance.

4. Depending on the national legislation of the country in which the candidate or tenderer is established, the documents referred to in paragraphs 1 and 3 shall relate to legal persons and/or natural persons including, where considered necessary by the contracting authority, company directors or any person with powers of representation, decision-making or control in relation to the candidate or tenderer.

5. Where they have doubts as to whether candidates or tenderers are in one of the situations of exclusion, the contracting authority may apply to the competent authorities referred to in paragraph 3 to obtain any information considered necessary about that situation.

6. The contracting authority may waive the obligation of a candidate or tenderer to submit the documentary evidence referred to in paragraph 3 if such evidence has already been submitted to it for the purposes of another procurement procedure and provided that the issuing date of the documents does not exceed 1 year and that they are still valid. In such a case, the candidate or tenderer shall declare on his honour that the documentary evidence has already been provided in a previous procurement procedure and confirm that no changes in his situation have occurred.

7. The candidate or tenderer shall submit a declaration on honour available at: http://eeas.europa.eu/jobs/docs/declaration-honour_en.pdf duly filled in, signed and dated from the intended subcontractor that he is not in one of the situations referred to in Articles 106 and 107 of the Financial Regulation. In case of doubt on this declaration on the honour, the contracting authority shall request the evidence referred to in paragraphs 3 and 4. Paragraph 5 shall apply, where appropriate.

III.2.2) Economic and financial ability

Information and formalities necessary for evaluating if the requirements are met: Proof of economic and financial capacity must be furnished by the following documents:

a) appropriate statements from banks to prove the financial capacity of the candidate or evidence of relevant professional risk indemnity insurance;

b) financial statements for the last 3 years for which accounts have been closed;

c) a statement of the annual overall turnover of the last 3 financial years for which accounts have been closed.

The amounts declared for the overall turnover, at least, must be verifiable with the amounts in the financial statements;

d) a statement of the annual turnover concerning the services covered by the contract during the last 3 financial years for which accounts have been closed;

e) if the candidate is relying on other entities (e.g. parent company, other company in the same group, or third party) in order to achieve the required level of economic and financial capacity, its request to participate must contain a signed and dated statement by the concerned entity declaring firmly that the relevant resources shall be made at the disposal of the candidate for this contract.

Minimum level(s) of standards possibly required: The average annual turnover concerning the services covered by the contract for the last 3 years for which accounts have been closed must be at least 130 000 EUR. This amount is a minimum below which no request to participate can be accepted. The exchange rate used to convert the turnover into euros will be the rate of December of the year of the financial statement as published at http://ec.europa.eu/budget/contracts_grants/info_contracts/inforeuro/inforeuro_en.cfm

In case the candidate is a group of economic operators, a consolidated assessment of the minimum capacity levels of all the members together will be made.
III.2.3) **Technical capacity**

Information and formalities necessary for evaluating if the requirements are met:

Evidence of the technical and professional capacity of economic operators must be furnished on the basis of the following documents:

a) the educational qualifications and professional experiences of the firm's managerial staff and, in particular, those of the person(s) responsible for providing the services;

b) a list of the principal services in fields related to this contract provided in the past 3 years, with the sums, dates and recipients, public or private;

c) statement of the average annual manpower (in total and in the fields related to the contract) and the number of managerial staff in the last 3 years;

d) statement from the relevant authority of the country in which the candidate is established proving that the candidate can act as a security company;

e) a valid certification issued by an independent body, an industry regulator or a trade association attesting the compliance of the candidate with quality assurance standards, such as ISO; or a detailed description of the quality measures employed by the candidate to ensure the quality of the services;

f) information on the facilities and resources available to the company to ensure the quality of services (i.e. vehicles, logistics, means of communication);

g) if the candidate is relying on other entities (e.g. parent company, other company in the same group, or third party) in order to achieve the required level of technical and professional capacity, its request to participate must contain a signed and dated statement by the concerned entity declaring firmly that the relevant resources shall be made at the disposal of the candidate for this contract.

Minimum level(s) of standards possibly required:

1) The candidates must provide at least 3 proofs of satisfaction of clients (public or private, international or foreign companies, diplomatic missions or representations of international organisations) in fields related to the contract during the last 3 years specifying whether the services have been carried out in a professional manner in compliance with the contractual terms. These proofs relate to any of the services included in the list under point b). The minimum annual value of each of these proofs shall be 65 000 EUR. The annual value can be calculated by dividing the total value of the contract by its duration. The exchange rate used to convert these amounts into euros will be the rate of December of the year of the beginning of the contract as published at http://ec.europa.eu/budget/contracts_grants/info_contracts/inforeuro/inforeuro_en.cfm

2) The average annual number of staff in fields related to the contract over the last 3 years must be at least 25.

For points 1) and 2) above, in case the candidate is a group of economic operators, a consolidated assessment of the minimum capacity levels of all the members together will be made.

III.2.4) **Information about reserved contracts**

III.3) **Conditions specific to services contracts**

III.3.1) **Information about a particular profession**

Execution of the service is reserved to a particular profession: yes

Reference to the relevant law, regulation or administrative provision: Security Officers Act and the Private Security Guards Code of Conduct as published in the Swaziland Government Gazette.

VI.3) Additional information
I. Preparation and submission of requests to participate and tenders:
This tender will be taking place in 2 stages, as follows:
A. First stage (selection stage):
In order to request to participate, candidates shall submit a letter presenting the name of the candidate, including all entities in the case of a group, and the name of the single contact person in relation to this request.
In the case of a group, this letter must be signed by a duly authorised representative of each operator and
indicate the leading member with its e-mail address. It is the responsibility of the candidate to regularly consult the e-mails received.

Requests must be perfectly legible to avoid any misunderstanding on the text and on the figures. In annex to this letter, candidates shall submit all the information requested in Section III of this contract notice:

legal, economic, financial and technical information. If the request to participate is submitted by a group of economic operators (Section III.1.3 of the contract notice), the documents specified in Sections III.2.1, III.2.2 and III.2.3 of this contract notice will be submitted by each member of the group.

If a candidate is relying on another entity to achieve a large part of its financial capacity as indicated at Section III.2.2.e), the contracting authority may demand that the said entity signs the contract or that it provides a joint and several first-call guarantee, should that candidate become the awardee of the contract.

Requests to participate must be submitted by the deadline as mentioned here below. Failing this, the requests to participate will be automatically rejected.

Submission can be made, according to the candidate’s choice:

(a) either by post or by private courier, posted no later than 22.9.2014, as evidenced by the postmark or the date on the deposit slip respectively, to the address stated in Section I.1;

(b) or delivered by hand to the address stated in Section I.1 by 22.9.2014 (15:00) at the latest.

Delivery by hand will be confirmed in this case by a dated and stamped receipt signed by the duly authorised agent from the Delegation. The request to participate shall comprise 1 original and 2 copies. Submissions must be made using a double envelope. Both envelopes are to be sealed. If self-seal envelopes are used, they must also be sealed with adhesive tape with the sender’s signature written across the tape. The outer envelope must bear both the name of the department which it is addressed to, as above, and the following: ‘TENDER No EEAS-374-DELSWZM-SER-FWC NOT TO BE OPENED’. This will be marked on the inner envelope too.

B. Second stage:

Candidates shortlisted at the end of the selection stage shall be invited to submit a tender. The invitation to tender documents (including the letter of invitation to tender, the tender specifications and the model contract to be used for this contract) will be sent to them directly, with no further publication in the ‘Official Journal of the European Union’.

‘Nota bene’: Submitting requests to participate or drawing up tenders does not give tenderers the right either to be awarded the contract or to receive any compensation for costs incurred. The contracting authority is under no obligation to award a contract subsequent to this notice.

II. Data protection:

If processing your reply to this contract notice involves the recording and processing of personal data (such as name, address and CV), such data will be processed pursuant to Regulation (EC) No 45/2001 on the protection of individuals with regard to the processing of personal data by the institutions and bodies and on the free movement of such data. Unless indicated otherwise, replies to the questions and any personal data requested are required to evaluate your request to participate in accordance with the contract notice and will be processed solely for that purpose by the contracting authority mentioned in heading I.1. Details concerning the processing of your personal data are available on the privacy statement at:

Your personal data may be registered in the early warning system (EWS) only or both in the EWS and central exclusion database (CED) by the Accounting Officer of the EEAS, should you be in one of the situations mentioned in:
— the Commission Decision 2008/969 of 16.12.2008 on the early warning system (for more information see the privacy statement on http://ec.europa.eu/budget/contracts_grants/info_contracts/legal_entities/legal_entities_en.cfm), or

III. Where appropriate, the contracting authority may have recourse to a negotiated procedure on the basis of Article 134(1)(f) of the rules of application applicable to the Financial Regulation.
