Europe Day Celebration – Sponsorship Invitation

On Thursday, 9th May, the European Union in Singapore will be hosting Europe Day 2019. This will be held at the Asian Civilisations Museum – a museum by the Singapore River that celebrates the rich artistic heritage and diverse cultures of Asia. The setting for the evening offers a unique opportunity for sponsors to celebrate the EU's National Day in a historic and pictorially breath-taking space.

An annual celebration of peace and unity in Europe, this happy occasion welcomes around 400 guests including European and Singaporean diplomats, dignitaries and Parliamentarians, international partners, key media representatives, academics and trade, industry and aviation experts.

The elegant evening is graced by a Singapore minister as a Guest of Honour.

Europe Day 2019 offers an excellent opportunity for companies and organisations to connect with our various stake-holders and position their brand at a high-profile by-invite only event.

For more on how your organisation can come on board as a corporate sponsor, please see the attached terms of reference or email us at: DELEGATION-SINGAPORE-EVENTS@eeas.europa.eu
