

EU-Kyrgyzstan partnership

March 2025

Human Development

- Supporting the Government's education policies and strategies
- Improving youth technical skills
- Supporting the vaccination system

Secure Connectivity

- Facilitating collaboration between the Central Asian countries for more effective intra-regional border management
- Reducing the demand and trafficking of illegal drugs

Trade & Economic Development

- Easing cross-border transit to facilitate trade and boost cooperation amongst Central Asian countries
- Improving the business and investment climate in Central Asia

Water & Energy

- Supporting Kyrgyzstan's water policies and strategies
- Supporting the upgrade of Kyrgyz irrigation infrastructure
- Restoring three priority uranium legacy sites in Kyrgyzstan
- Advancing energy connectivity in Central Asia
- Improving regional coordination on water management
- Contributing to the Team Europe Initiative on Water, Energy and Climate Change

Digital Connectivity

- Supporting Kyrgyzstan's digital policies and strategies
- Improving policies and regulations to support sustainable and inclusive connectivity
- Investing in building a ground infrastructure to support a regional satellite network

Trans-Caspian Transport Corridor

Improving transport connectivity along the Trans-Caspian Corridor with Central Asia.

Migration*

- Improving the understanding of regional displacement dynamics
- Fighting against human trafficking and smuggling of migrants
- Promoting a safer and cheaper transfer of remittances from migrant workers to their families in Central Asia

Rule of Law & Civil Society*

- Supporting justice sector reform with improved probation services, e-justice, and gender-centred judiciary processes
- Offering support to civil society and protecting human rights
- Implementing a programme on gender equality, youth empowerment, and human rights for all

* This domain is outside Global Gateway but complementing engagement under it.

These outputs provide an overview of the main domains of actions of the EU in the partner country, pursuing a Team Europe approach.

The boundaries and names shown and the designations used on this map do not imply official endorsement or acceptance by the European Union.
