

EEAS PRIVACY STATEMENT - DATA PROTECTION NOTICE

FOR THE PURPOSE OF PROCESSING PERSONAL DATA RELATED TO RECRUITMENT OF LOCAL AGENTS IN EU DELEGATIONS

1. INTRODUCTION

The protection of your personal data and privacy is of great importance to the European External Action Service (EEAS) and to the Delegations of the European Union. You have the right under EU law to be informed when your personal data is processed [collected, used, stored] as well as about the purpose and details of that processing.

When handling personal data, we respect the principles of the Charter on Fundamental Rights of the European Union, and in particular Article 8 on data protection. Your personal data are processed in accordance with Regulation (EU) 2018/1725 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data, aligned with Regulation (EU) 2016/679, the General Data Protection Regulation. In this privacy statement you find information about how the EEAS and EU Delegations process your personal data and what rights you have as a data subject.

2. PURPOSE OF DATA PROCESSING: Why do we process your data?

The purpose of the personal data processing is to manage the recruitment process of local agents in EU Delegations.

Additional information: The vacancy is advertised as widely as possible, given local labour market conditions. There are no nationality requirements and therefore the Head of Delegation may also recruit from the local expatriate community on the condition that candidates have valid work and residence permits. In case an appropriate candidate could not be recruited via a vacancy notice in the press, a specialised agency may be contracted as service provider. The head-hunter agency becomes a data processor for that particular service contract. The selection procedure is regulated and consists of subsequent steps. Following the selection procedure, the Head of Delegation is requested to sign the employment contract. Before signing the contract, the Head of Administration need to receive all supporting documents (diplomas, certificates, testimonials, etc.) relating to the candidate's experience, education and training. The contract is signed by the Head of Delegation or in his/her absence by the Acting Head of Delegation.

After the recruitment, the administrative management of Local Agents, including a range of processes, is managed within the respective EU Delegations.

The data controller and responsible organisational entity is the Administrative section of the Delegation under the supervision of the Head of Administration and ultimately the Head of Delegation.
