

Notice of public call for application

Rural electrification project of 317 localities by solar mini-grids in Togo

DAOI 001/AT2ER

Summary description of works

1. The Government of the Togolese Republic has requested and obtained funds from the West African Development Bank (BOAD) and the Energy Development Fund (EDF), to contribute to the financing of the Rural Electrification Project of 317 localities by solar mini-grids in Togo, and intends to use some of these funds to make payments under the mini-grid solar grid. The Works will be executed throughout the territory within twelve (12) months.
2. The Togolese Rural Electrification and Renewable Energies Agency (AT2ER) acting as delegated client launches the prequalification of the developers who wish to participate in the tender.
3. The Togolese Rural Electrification and Renewable Energies Agency (AT2ER) sought and obtained funding from the West African Development Bank (BOAD) and the Energy Development Fund (FDE) to contribute to finance the **rural electrification project of 317 localities by solar mini-grids in Togo**, and intends to use part of these funds to make payments *for the construction of solar mini-grids*. The Works will be executed throughout the territory within twelve (12) months.
4. Participation in this prequalification call for tenders as defined in the *Guidelines for the procurement of works, goods and services (other than consultancy services) financed by a loan or advance of funds from the BOAD*, concerns all eligible and pre-qualified candidates who meet the conditions set out in this Prequalification document.

The Project consist of the development, co-financing, construction, operation and maintenance of solar mini-grids and distribution networks, the distribution and commercialization of electrical power to clients and the transfer at the end of the License duration in 317 localities divided into 5 lots. The implementation of the 317 solar mini-grids is divided into three (03) phases. The first phase will concern more than a hundred localities.

The Togolese Rural Electrification and Renewable Energies Agency (AT2ER) invites, through this prequalification call for tenders, interested candidates to submit their proposals in sealed covers, for

- i) the development and co-financing of solar mini-grids,

- ii) the supply of production, storage and distribution equipment,
 - iii) the installation, commissioning, operation and maintenance of the said mini-grids and the commercialization of electrical power for the following lots:
- **Lot 1: 85 localities whose phase 1 consists of 31 localities having approximately: i) 8 000 subscribers, ii) a total installed capacity of 2 000 kW and iii) 130 km of distribution network to be built.**
 - **Lot 2: 62 localities whose phase 1 consists of 26 localities having approximately: i) 9 000 subscribers, ii) a total capacity of 2 000 kW iii) and 100 km of distribution network to be built.**
 - **Lot 3: 78 localities whose phase 1 consists of 27 localities having approximately: i) 8 000 subscribers, ii) a total capacity of 2 000 kW and iii) 100 km of distribution network to be built.**
 - **Lot 4: 46 localities whose phase 1 consists of 22 localities having approximately: i) 10 000 subscribers, ii) a total capacity of 2 500 kW and iii) 75 km of distribution network to be built.**
 - **Lot 5: 46 localities whose phase 1 consists of 23 localities having approximately: i) 10 000 subscribers, ii) a total capacity of 2 500 kW and iii) 75 km of distribution network to be built.**
5. Interested candidates can obtain information from AT2ER and get to look at the pre-qualification documents free of charge at the address below:

Agence Togolaise d'Electrification Rurale et des Energies Renouvelables (AT2ER)

503 rue de la Binah, Tokoin Gbonvié, non loin de la clinique ATBEF

14 B.P : 128 Lomé - TOGO

Tél : 00 228 22 21 21 44

E-mail : at2ertogo@gmail.com, secretariat@at2er.tg from 08: 00 am to 5: 00 pm GMT.

No candidate can be awarded more than two (02) lots at the end of the process.

6. The requirements for qualification are conditioned to:

- *technical;*
- *financial;*
- *organizational and other.*

See the prequalification document for detailed information.

7. Interested candidates can obtain a pre-qualification document at the address below:

Agence Togolaise d'Electrification Rurale et des Energies Renouvelables (AT2ER)

À l'attention de la Personne Responsable des Marchés Publics

503 rue de la Binah, Tokoin Gbonvié non loin de la clinique ATBEF

14 B.P : 128 Lomé - TOGO

Tél : 00 228 22 21 21 44

E-mail : at2ertogo@gmail.com | secretariat@at2er.tg from 08: 00 am to 17 : 00 pm GMT.

against a non-refundable payment of 100,000 CFA . Payment will be made by cash or transfer to the account below.

Account name: **AT2ER**

Bank name: **ORABANK TOGO**

Bank code	Box code	Account number	RIB key	BIC code	IBAN
