## Background

### The 100th edition of the Standard Eurobarometer

Set up as a tool to reveal Europeans to each other, the Eurobarometer is key to better understand the evolution of the public opinion in Europe. The Standard Eurobarometer, now at its 100th edition, is a cross-national study carried out twice a year through face-to-face interviews, conceived to evaluate and compare public opinion trends within EU Member States.

The Standard Eurobarometer 100 (Autumn 2023) was conducted between 23 and 15 November 2023 across the 27 EU Member States. 26,471 EU citizens were interviewed face-to-face.
