

EU Drawing Contest "Tahun Pemilu: Merayakan Demokrasi"

Introduction

The European Parliament elections as well as the Indonesian elections are set to take place in 2024. To mark these significant events, the Delegation of the European Union to Indonesia seeks to engage young Indonesians in our drawing contest "**Tahun Pemilu: Merayakan Demokrasi**" (The Year of Elections: A Celebration of Democracy).

Our aim is to highlight the importance of democracy in our lives and the role of elections. To that end, we ask young people participating in the contest to create a drawing relating to the theme. Contestants can be as creative as they would like but some suggestions to consider are: free and fair elections, performing our civic duties and being an informed citizen, political inclusion of marginalised groups (women, senior citizens, people with disabilities, indigenous peoples etc.), combatting fake news and electoral disinformation, first-time voters and others.

The contest is scheduled to run until 3 December 2023.
Around 200 entries are expected.
12 contest winners will be announced in mid-December 2023.
