Supplemental Information regarding EU-SADC EPA: [SADC-EU EPA Outreach - About \(sadc-epa-outreach.com\)](http://sadc-epa-outreach.com)

Useful EU funded website that provides an online information service that keeps you up-to-date on evolving EU policies, regulations and standards with potential impacts on agri-food value chains. It provides clear summaries for trade partners about the “what, why, and when” of recent and upcoming changes, and actions needed to adjust to new rules.
