

## **THE EU IS FULLY COMMITTED TO THE SUMMIT OF THE FUTURE.**

**How about you? Will you join us in defending these priorities?**

**Here's what we aim to achieve with the Pact for the Future:**

### **Sustainable Development and Financing for Development**

Everyone deserves the dignity of a decent life. Eradicate poverty and leave no one behind.

Reduce inequalities both within and between countries.

Manage and protect our global public goods.

Address natural hazards, climate change, biodiversity loss, and pollution. Protect people from their harmful impacts.

Close health gaps and inequalities. Ensure Universal Health Coverage. Prevent and prepare for global health emergencies.

### **International Peace and Security**

Bring about peace! Strengthen conflict prevention and put more resources into preventing conflicts.

Uphold your commitment to international humanitarian law. Ensure unrestricted humanitarian access for those in need.

Prevent the spread of weapons. Promote disarmament. Ensure maritime security and safety.

Eradicate all forms of gender-based violence.

## Science, Technology & Innovation and Digital Cooperation

Stand up for a free, inclusive, open, safe, fair and secure digital future for all! Endorse an ambitious Global Digital Compact.

Advocate for an inclusive digital transformation that bridges social and gender divides.

Fight digital illiteracy! Support digital education & training for all.

Support inclusive, multi-stakeholder scientific and technological cooperation that drives innovative solutions that respect human rights and protect the environment.

Commit to a global open internet governance that protects fundamental rights and democracy.

## Youth and Future Generations

Ensure that youth participate in decision-making at all levels—from local to global.

Uphold the rights of children and young people, especially women and girls, both offline and online.

Guarantee inclusive and equitable access to quality education, comprehensive sexuality education, healthcare services, and social protection.

Promote intergenerational dialogues. Increase accessible financial resources for youth-led and youth-focused organizations.

Ensure meaningful and inclusive youth engagement globally and at national levels with concrete & forward-looking commitments.

## Global Governance

Agree on governance reforms that enhance representation, accountability, and effectiveness of the multilateral system.

Implement effective reform of the international financial architecture to respond to today's needs of the world's poorest countries.

Ensure means for civil society, youth and children to be part of the decision-making process – from local to global.
