Pristina, 06 March 2025

Subject: Kosovo Progress Report 2025 - call for contribution

The European Commission published its last Enlargement Package and Kosovo Report in November 2024. As every year, it contains a comprehensive assessment of the state of play of Kosovo's readiness to assume the EU membership obligations and of the progress made over the previous 12 months. It also formulates recommendations for the months to come.

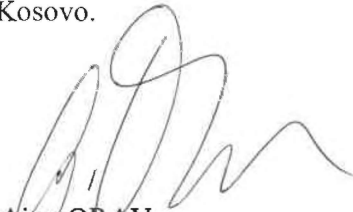

The Commission plans to adopt its next Enlargement package in autumn 2025. The Commission, in close consultation with civil society, endeavours to continue to offer recommendations for Kosovo to advance on the EU path also for this year. In this context, we would like to invite you to participate in the **preparatory work for the next Report**, covering the period starting 1 September 2024. As in previous years, we would be delighted to draw on your expertise and knowledge. We encourage you to use this opportunity to share relevant information and your assessment.

We would be grateful to receive your **written contributions by 08 April 2025** in order to give our office sufficient time to reflect your inputs in the first draft, due by the end of April. Please, address your contributions to Monika Gajowy at Monika.GAJOWY@eeas.europa.eu and Liudas Kolesinskas at Liudas.KOLESINSKAS@eeas.europa.eu. Do not hesitate to get in touch with them if you have further questions regarding the process or your input.

Further, my colleagues covering various substantive sections of the report may contact you or your colleagues directly to discuss in more detail specific issues. I would be hence grateful if they could equally rely on your expertise and cooperation.

I would like to thank you for the stimulating cooperation. I trust we will continue to engage closely together, also in the context of the consultations for the report. Your knowledge and advocacy remain of fundamental importance to the work of the EU in Kosovo.

Yours sincerely,

Aivo ORAV
