

# EU-AU PARTNERSHIP

#AUEU25  
May 2025

## People : Migration and Mobility

At the 6<sup>th</sup> European Union - African Union Summit in February 2022, leaders agreed on an **enhanced and reciprocal partnership for migration and mobility as part of a Joint Vision for 2030**. Migration and mobility present opportunities for innovation, skills transfer, talent circulation, social resilience, and economic growth.

### AREAS OF COOPERATION

Root causes of irregular migration and forced displacement

Regular migration and mobility
