7. LEGAL BASIS: On what grounds we collect your data?

The processing of personal data related to Study in Europe Fair 2020 organised by the EU Delegation to Singapore (EEAS) is necessary for the performance of a task carried out in the public interest [Article 5(1)(a) of Regulation (EU) 2018/1725], as mandated by the Treaties, in particular by articles 5, 11, 20, 21-40, 42, 43 of the of the Treaty on European Union (TEU) and 2 (4) and (5), 205, 220-221, 326 – 334 of the Treaty on the Functioning of the European Union (TFEU).

Further reference:

Council Decision of 26 July 2010 establishing the organisation and functioning of the EEAS (2010/427/EU) (OJ L 201, 3/8/2010, p. 30) and Shared Vision, Common Action: A Stronger Europe - A Global Strategy for the European Union's Foreign and Security Policy of June 2016 and Council Conclusions of October 2016 where the Council of the European Union emphasises *"the need of joining up efforts in the field of public diplomacy including strategic communication, inside and outside the EU, to speak with one voice and ultimately promote its core values"*.

At the same time, data processing for EU communication activities and publications is based on your consent requested separately [Article 5(1)(d) of Regulation (EU) 2018/1725]. Your consent is required for:

- photos, video recordings and web streaming related to events/meetings which may be shared in EU communications (see point 5)
- attendance list containing your name, affiliation and contact details which may be shared among participants

If you do not wish for some personal data, including photos, to be published on the web, you also have the option not to provide consent. You can withdraw your consent at any time and you also have the option to give consent only to one or more data processing activities.

8. TIME LIMIT - DATA STORING: For what period and how we process your data?

Our aim is to keep your personal data not longer than necessary for the purposes we collect them. After the Study in Europe Fair 2020, your data are kept as long as follow-up actions to the Study in Europe Fair 2020 are required. Reports and other material containing personal data are archived according to e-Domec policy.

Personal data will be deleted five years after the last action in relation to the Study in Europe Fair 2020. Personal data may, however, be part of a contact list shared internally among EEAS services for the purpose of promoting future EU activities and disseminating information. The privacy statement on public diplomacy initiatives is also available on the EEAS website. Financial data related to the Study in Europe Fair 2020 will be kept for a maximum period of 10 years after the end of the event or meeting for auditing purposes. Personal data may be kept for information and historical, statistical or scientific purposes for a longer period of time including the publication on the EU Delegation to Singapore and EEAS Intranet or EEAS website with appropriate safeguards in place.

Security of data

The EEAS and EU Delegation to Singapore strive to ensure a high level of security for your personal data. Appropriate organisational and technical measures are ensured according to Article 33 of Reg. (EU) 2018/1725. The collected personal data are stored on servers that abide by pertinent security rules. Data is processed by assigned staff members. Files have authorised access. Measures are provided to prevent unauthorised entities from access, alteration, deletion, disclosure of data. General access to personal data is only possible to recipients with a UserID/Password. Physical copies are stored in a secured manner. In case a service provider is contracted, as a processor, the collected data may be stored electronically by the external contractor, who has to guarantee data protection and confidentiality required by the Reg. (EU) 2018/1725. These measures also provide a high level of assurance for the confidentiality and integrity of the communication between you [your browser] and the EEAS/EU Delegation to Singapore. Nevertheless, a residual risk always exists for communication over the internet, including email exchange. The EEAS relies on services provided by other EU institutions, primarily the European Commission, to support the security and performance of the EEAS website.
