

The European Union presents

Study in Europe 2021

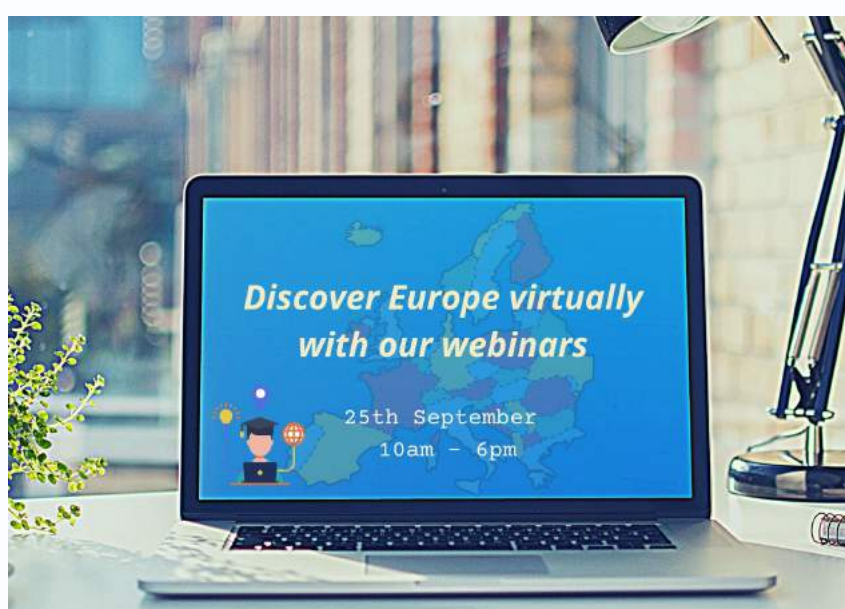

STUDY IN EUROPE

EU's flagship annual higher education fair in Singapore presents its next digital edition on 25th September.

On this digital platform, 21 European countries present the various study options and opportunities available across Europe.

The fair provides access to universities, the application process through information on the website and webinars focused on higher education in Europe.

ABOUT WEBINARS

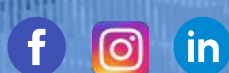

Experience a diverse and engaging line up of over 30 live online webinars on 25th September, 10 am - 6 pm. Free of charge

Learn about what it means to study in Europe with education counsellors and universities representatives

Gain access to funded opportunities to study in Europe through Erasmus+, an EU funded higher programme that enables students and professors all over the world to study and teach at European universities.
